Donation for the Affected by Tohoku – Pacific Ocean Earthquake

Polaris Capital Group Co., Ltd. and its management and employees would like to express our deepest sympathy for the people affected by the Tohoku – Pacific Ocean Earthquake on March 11.

Our thoughts also go to our investors and portfolio companies of Polaris Private Equity Funds I and II and their employees who suffered direct impacts of the devastating earthquake and the resultant tsunami.

As a natural extension of our corporate vision, “contribute to the Japanese economy and society”, we wish to support the rescue effort for the affected citizens and the rebuilding process for the affected areas and, as our first action, donated JPY10 million to The Japanese Red Cross Society on March 31.

Lastly, we sincerely pray for a quickest recovery in the regions hit by the earthquake.
